

**KEEP WITH YOU AS
PROOF OF MEMBERSHIP**

Welcome to the 2017 season at

Glendale Tennis Club! The club will open in early April, with grand opening celebrations on May 28th. If you can't play, take a seat, grab some munchies and get a comfortable view to the closest games. Non players thinking about tennis can make easy arrangements for lessons from our experienced trainers. Tennis is a non-contact sport, making a great learning experience for children.

Hopefully you are familiar with Glendale's new paperless registration system. Shoe tags have been eliminated. Please keep this Welcome letter in your tennis bag as proof of membership at GTC.

Refer to the Glendale web site for on-going events:

www.glendalletennis.org

The web site is important because organized events can sometimes require two; three, or even all four courts, and you do not want to be disappointed if a court is not available during peak times. We ask that all members review the junior, adult and guest rules, and to observe our 30 minute changeover etiquette, as posted outside the front gate.

Included in your membership are drop-in social tennis/pizza specified holidays. Balls, are provided. These fun events will give you a chance to mingle with old and new Glendale members.

CZ3248 is the combination for push button front gate access. Please do not disclose the combination number to non-members or guests. All back gates will have restricted entry only. **Please ensure all gates are locked and lights are off if you are the last one to leave.**

Your input is important to us. Feel free to contact the appropriate volunteer Executive member
OR e-mail us at glendaleinfo1@gmail.com

Have a smashing season, everybody!
